**Bulletin to all Zeek Rewards Net Winner Judgment debtors in California:**

Please be advised that the Offices of D Scott Carruthers has literally not had the personnel to process the nearly 1300 Judgment Execution through Central District Court in California.

Covid has also limited the Federal District Court's ability to handle the paperwork necessary to process even the bank levies, wage garnishments, and automobile repossessions we currently have in motion.

However, we will get there eventually when the pandemic subsides.

Everybody will shortly be receiving a list of post judgment asset questionnaires (Interrogatories) and a subpoena requesting the location of all your assets. Failure to respond to either of these documents (CCP Section 708.020 (d) and CCP Section 2030.030.) could lead to a request by us to invoke the Court's contempt power (CCP Sections 681.010 (e) ) and the request for many thousands of extra dollars in Sanctions.

Here is the offer:

If you call my office at 800-495-8682, or locally at 714-761-3976, in the next 72 hours and set up an acceptable payment arrangement and keep your word, then we will not bother you with any of the aforementioned Judgment remedies.

Nothing, except payment in full, will prevent us from filing a lien on your property.

The lien comes off only after the judgment is paid or we voluntarily remove it for any number of reasons.

I hope everybody is safe.

Good luck in the future and I literally fervently desire that everybody takes advantage of this offer.

D. Scott Carruthers
